

Sara Arnold

School Assistant

Hello! My name is Sara Arnold. I'm preschool assistant at Holy Spirit Episcopal Church and School. I help the teachers various ways throughout the day. I have been teaching preschool since 2006. I was excited about the opportunity to be an assistant at Holy Spirit. I love that it may be the same daily routine, but everyday is different! The things kids say throughout the day make me smile, and give gratitude about being part of their discoveries.

My husband and I grew up in Austin, and moved to Dripping Springs in 2019. We have a daughter Austin Ainsley, who keeps us busy and inspired. As a family, we love to spend time outdoors and with our dogs.
